

Birstall Rainbow Nursery Newsletter

Jeans for Genes Day

We are raising money and having fun to boost awareness of the amazing Jeans for Genes charity.

On Thursday 20th we are planning on releasing balloons (see attached) while wearing blue. This will take place at Meadow Lane playing field.

More information nearer the time.

On Friday 21st we will be dressing up in blue, dressing our gingerbread men in blue jeans and having fun with blue.

Autumn Walks

The week beginning 17th September we will be taking the children out for walks. The staff in your child's room will let you know on the day if they will be going.

This is in addition to the regular trips that the children take to our allotment.

Winter Menus

We will be going over to the winter menus on the 1st of October.

Pirates at Rainbow

The new pirate ship has sailed into Rainbow play area and the children are loving it. Periscopes up, telescopes to the ready and watch that flag fly!

Welcome

Welcome to all the new children that have joined us this term and it is lovely to see others return from their Summer break, we hope you enjoy your time at nursery.

Payments

Please see attached a letter regarding making payments to the nursery.

Clothes

Changeable weather means we need changeable clothes, sun cream and wellies – everything should be labelled with your child's name. Please can you ensure that your child has the correct clothes for the day. A bag with some spares in is a great idea. Also please do not dress your child in anything expensive as paint, glue and various other things we use, may cause staining or damage.

Growing up

Well done to all the children who have moved rooms this summer – they have been very brave and seem to be loving playing, discovering and learning new things in their new rooms.

By the end of the month all children will have received a report via tapestry to inform you of their progress and next steps

Reminders:

Sessions

Please could you ensure that you stick to your session times as we have to ensure our staffing ratios are correct.

Shed

We ask that parents storing pushchairs in the shed, please collapse them so that others may use the space also.

Pavement

Please could you ensure when parking outside the nursery that you do not drive on the pavement, this is not only illegal but also very dangerous and we do not want any serious accidents to occur. Also local homeowners ask that you please respect their driveways and leave ample space between the wall and car if parking on the front.

Payments

Please see attached a letter regarding making payments to the nursery.
